June Right of the Month: Protection of Money and Property

You have the right to have your personal belongings protected and your personal funds managed responsibly. You have the right to manage your own financial affairs, if choose to. Or, you may request assistance in managing personal funds.

CHAPLAIN'S CORNER

Summer begins this month. The back-breaking, sweat inducing work of planting the garden has been done. It is done with an expectation of fresh vegetables. The Bible says that we reap what we sow. It is true in gardens and it is true with love. Plant the seed of love and you can expect a harvest of love.
