## December Right of the Month: Role of a Resident's Representative

Serving as a resident's representative is both a serious responsibility and an act of love and support for your loved one. Please know that your service is deeply appreciated. If we can assist you by providing information, answering questions, discussing resident's needs and situation, or resolving problems or concerns, please let us know right away.

## CHAPLAIN'S CORNER

What a year we have had!  
But with Thanksgiving behind us, my heart turns to Christmas. Every year I am reminded that hope was born in a stable and placed in a manger. The hope for this earth and every person that lives on it is found in Jesus. What a gift we have been given!!  
Matthew 4:16 says "The people living in darkness have seen a great light; on those living in the land of the shadow of death, a light has dawned."

Merry Christmas and God Bless,  
Bro. Tal
